MARKET NEWS AND GRADING DIVISION MEMORANDUM NO. NX-111

To: All Livestock, Meat and Wool Market News Offices

From: Fred J. Beard, Chief, Market News and Grading Division
Livestock and Meats Branch, Washington 25, D. C.

Subject: Change in 12 Market consist

Suspension of Market News Service at Buffalo, New York, on exceedingly short notice at the end of June 1943, made necessary a very hasty decision on the selection of a market to replace Buffalo in the 12 market group regularly utilized by us in obtaining a representative sampling of the daily livestock movement through public markets. For reasons that seemed to justify our decision Peoria was selected.

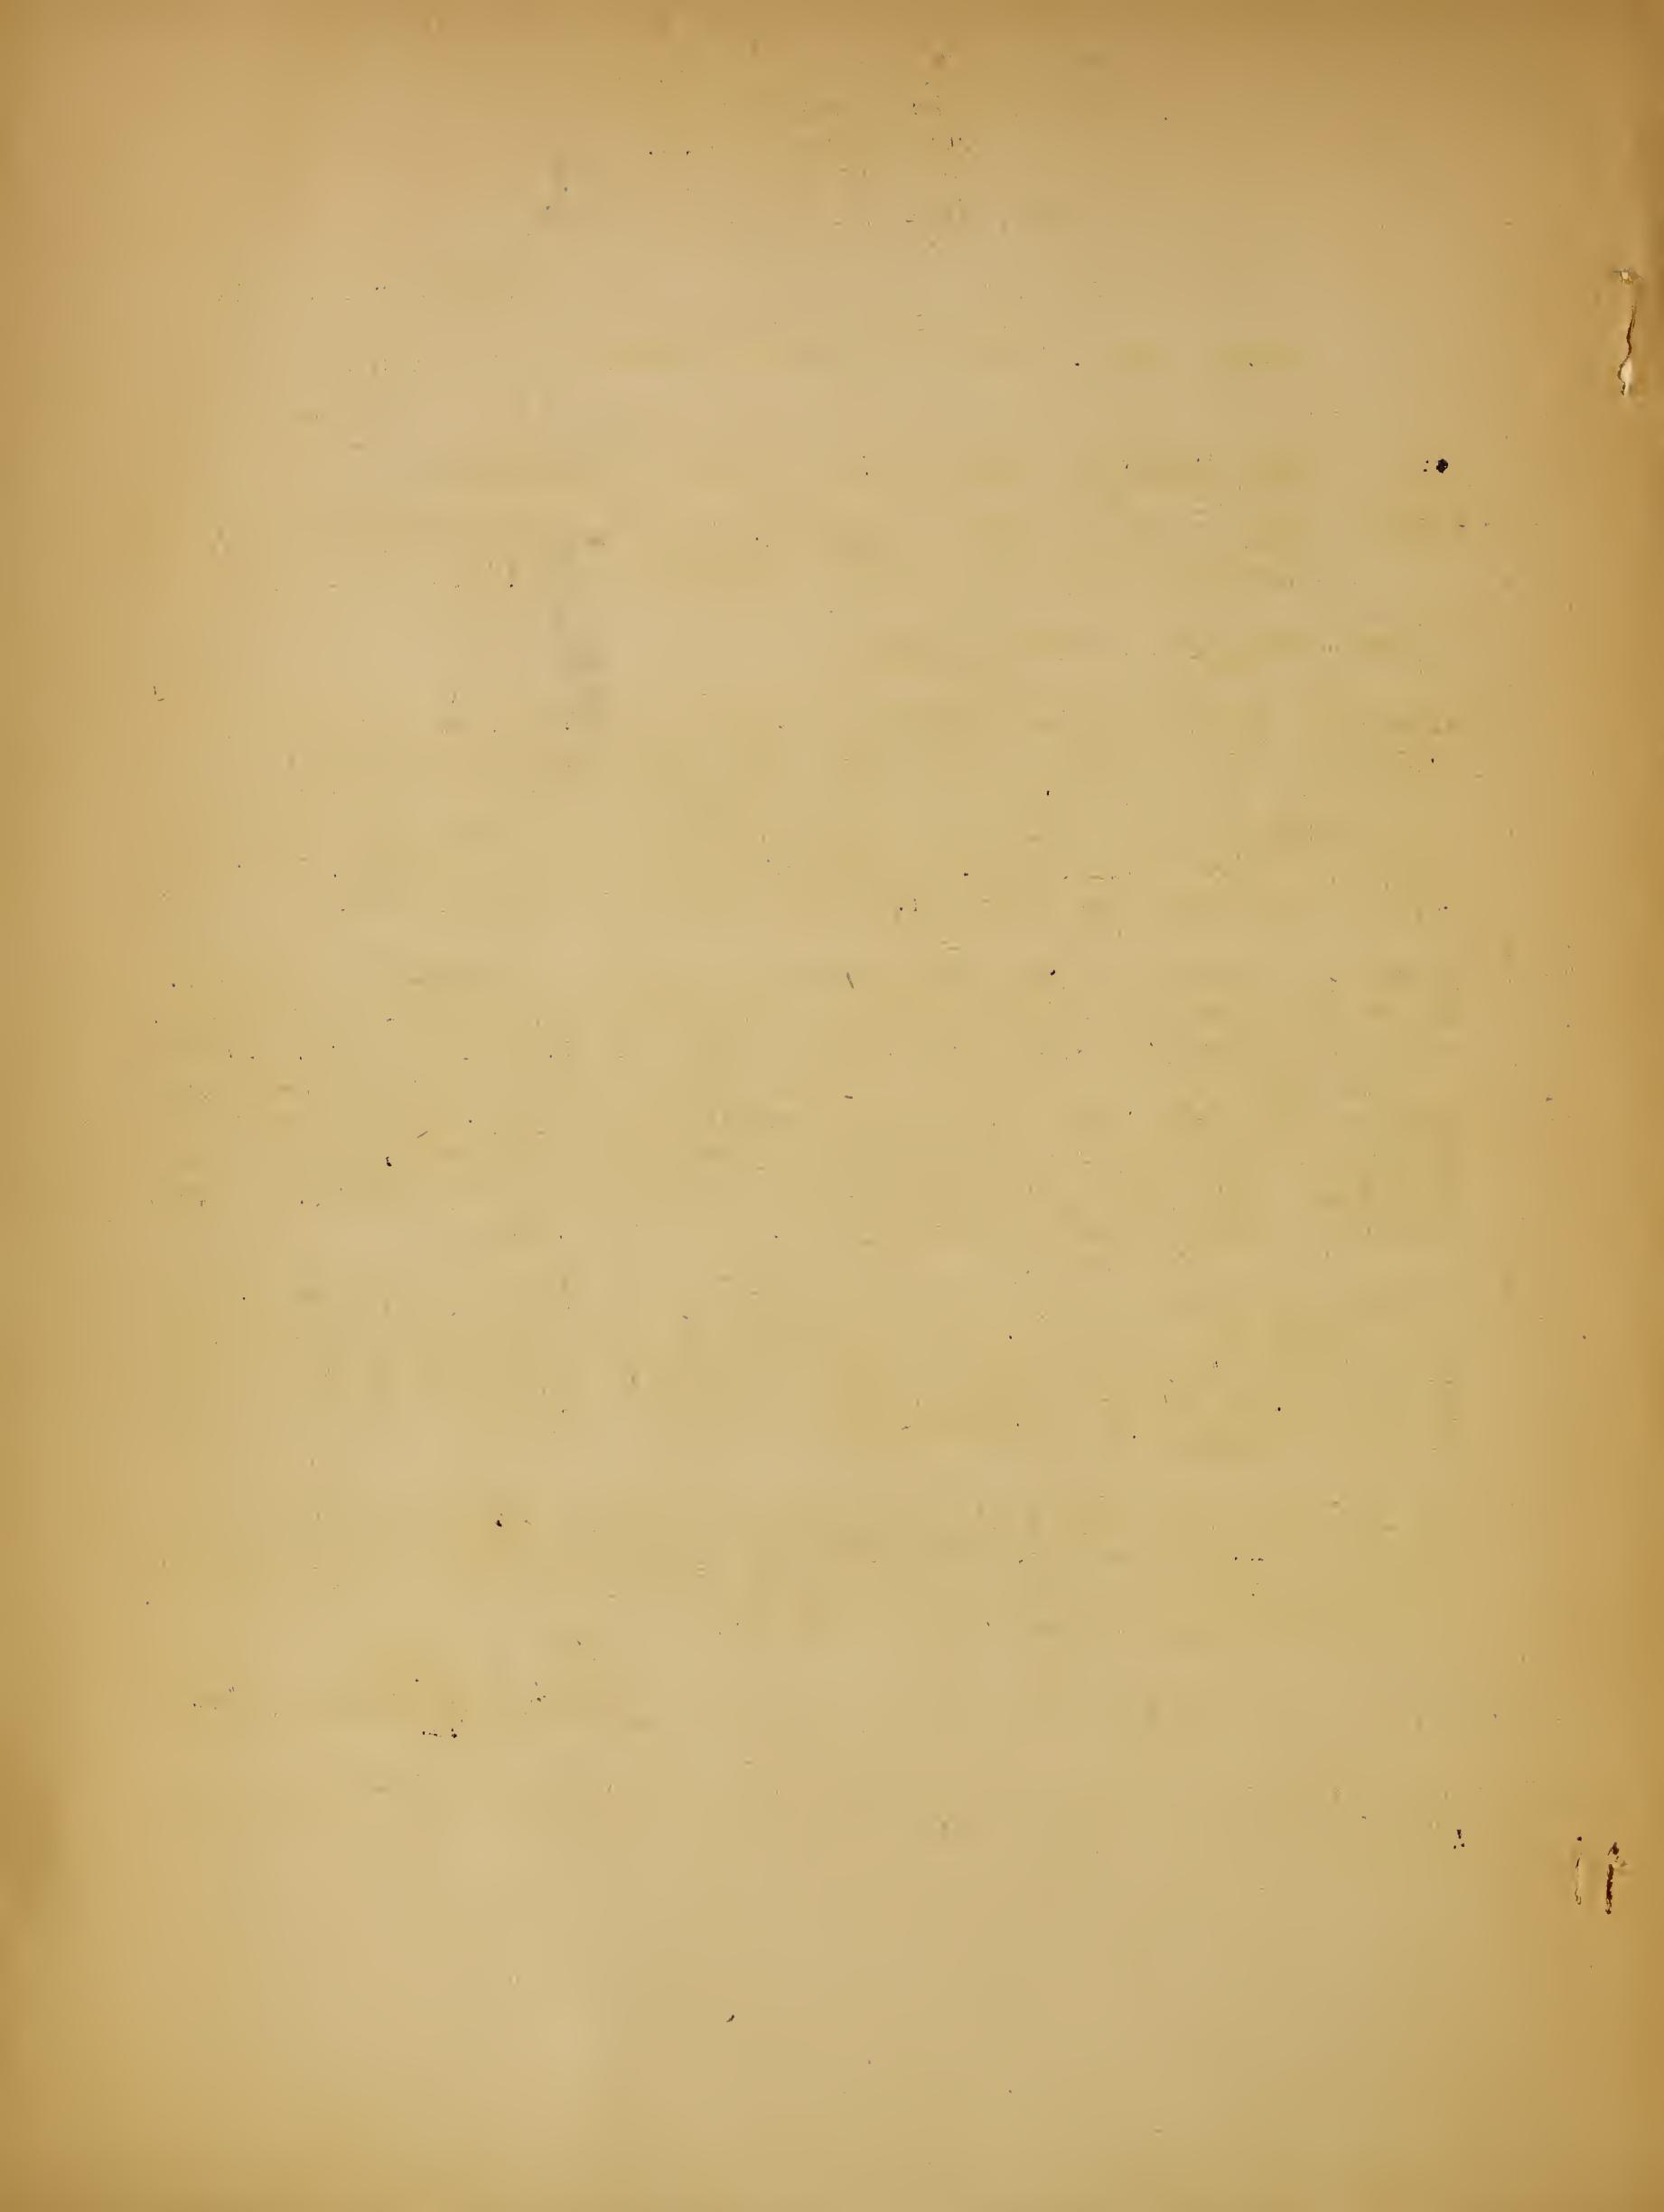

In order to present a more representative sampling of livestock receipts, and at the same time effect greater uniformity in our operating procedure, a further change has since been decided upon. Effective January 1, 1945, Oklahoma City will be included in the 12 market group in place of Peoria. Footnotes to statistical tables that include 12 market receipt and /or shipment totals should be changed as of that date. Furthermore, an additional note should be carried calling attention to the change, on the first few reports issued after the change has been made.

In order that this notice will be consistent and uniform at all offices it is suggested that the following wording be used, if space on the report will permit. "Note-Effective January 1, 1945 the 12 market group carried in this report includes Oklahoma City in place of Peoria which was previously carried."

The attached daily totals of actual salable receipts for 12 markets combined, January to June, inclusive 1944, include Oklahoma City. After January 1, these data will be used in all reports wherein comparison of 12 market receipts is made with a year ago.
